GHF raises funds via donations by friends and family, grants, corporate sponsorship and special fundraising events, including annual golf events held in Thailand, China, Korea and the U.S. In 2013 the Foundation will provide more than \$50,000 in contributions and grants. Administrative and fundraising expenses are less than 10% of our funds raised (this includes fees for incorporation and fees for filing with the IRS). The Foundation does not reimburse board members for their time and reimburses limited expenses for costs incurred on behalf of GHF, including travel to Thailand.
